WELCOME TO THE SESSION 2017-18

Stepping ahead on the threshold of the new session of the college I welcome you all to the academically buoyant and culturally vibrant DAV institution in the region. The aim of the institution has always been to embark on a journey of excellence, tread on the path of prosperity, surge ahead astride lofty goals and to realize the dreams of the youthful souls. Working persistently towards this aim, the college is a multidimensional institution offering nine Post Graduate, six Undergraduate and other Value added programmes. Besides offering a vast array of various programmes and courses, the institution is also striving persistently to strengthen its position in the field of technological advancements. In order to further up grade the laboratories, new equipment have been added, new labs were set up and the entire campus is Wi-Fi enabled to promote high end learning. With a view to enhance the trajectories of knowledge and to expand the information vistas for its students and faculty, the college has also entered into a Memorandum of Academic Support (MOAS) with Central University of Punjab, Bathinda (CUPB). The agreement being a benchmark in the educational fraternity in Bathinda, would certainly promote teaching and research in Science, Mathematics and Humanities to enhance the educational standards.

The academic record of the institution is a veritable treasure trove, an ever growing repertoire of our bright students who leave no stone unturned in catapulting the institution to success by scoring highest marks and clinching top positions in Punjabi University Patiala. The success chart is further augmented by the guidance and the counsel provided by the eminent academicians and dignitaries through their expert talks.

Physical fitness being an intrinsic part of our lives, the college provides intensive systematized training to its students, thus producing players of national and international repute.

The multifarious aspects, focus on quality training, results, placement, experience and dedication of the faculty, an array of guest speakers from all over the globe, alumni of remarkable stature speak volumes of the institution's astounding success.

Putting the precept into practice and giving back to the society in the form of selfless service the college undertakes many noble ventures too like Computer Literacy Classes for Senior Citizens, Classes for Deaf and Dumb, Scholarship schemes for its students, etc.

The achievements and the practices of the institution hold a mirror to the laurels and plaudits won and beckons one and all to the edifice of excellence. I on behalf of DAV family pledge to groom the young souls as responsible individuals and crusaders of a better tomorrow and wish that each one associated with it grows and develops and in turn proceeds towards excellence.

TEN PRINCIPLES OF ARYA SAMAJ

- God is the efficient cause of all true knowledge and all that is known through knowledge.
- God is existent, intelligent and blissful. He is formless, omniscient just, merciful, unborn, endless, unchangeable, beginning-less, unequalled, the support of all, the master of all, omnipresent, immanent, un-aging, immortal, fearless, eternal and holy, and the maker of all. He alone is worthy of being worshipped.
- The Vedas are the scriptures of all true knowledge. It is the paramount duty of all Aryas to read them, teach them, recite them and to hear them being read.
- One should always be ready to accept truth and to renounce untruth.
- All acts should be performed in accordance with Dharma, that is, after deliberating what is right and wrong.
- The prime object of the Arya Samaj is to do good to the world, that is, to promote physical, spiritual and social good of everyone.
- Our conduct towards all should be guided by love, righteousness and justice.
- We should dispel Avidya (ignorance) and promote Vidya (knowledge).
- No one should be content with promoting his/her good only, on the contrary, one should look for his/her good in promoting the good of all.
- One should regard oneself under restriction to follow the rules of society calculated to promote the well being of all, while in following the rules of individual welfare, all should be free.
