WELCOME TO THE SESSION 2018-19

Traversing ahead on the path of excellence, adding milestones, scripting victories, cherishing associations have been the coveted accomplishments for 49 fulfilling years in the trajectories of DAV College Bathinda. On the threshold of entering into the 50th golden year, the college takes extreme pleasure in beckoning the young adults to this edifice of knowledge. The hallowed precincts present a vast gamut of multidimensional courses offering nine Post Graduate, six Undergraduate and other value added programmes.

Venturing towards imparting the best and the latest in the field of science and technology and upgrading the acumen of the students in the field of commerce, two new courses, M.Sc Chemistry and B.Com (Hons.) were introduced in the last session and a new state of the art laboratory in the Post Graduate Department of Chemistry equipped with latest apparatus, chemicals and other infrastructure also came into being. The college makes concerted efforts to provide the best facilities and amiable ambience to the students in order to promote experiential learning and creating opportunities for meaningful engagement with the competitive world. The imposing infrastructure and amenities provided, be it the reservoir of knowledge - fully automated Central library of the college, spacious classrooms, computer labs, Student Centre cum Food Court catering to healthy appetite, information centres - computerised offices, sprawling lawns, immaculately kept playgrounds, gymnasium, Wifi enabled campus, installation of Rain Water Harvesting System, CCTVs, speak volumes about the motto of the college, to foster abiding relationships with our stakeholders.

With a discerning eye on the global competitive market and to expand the spectrum of interchange of information, knowledge sharing and pedagogy, MOAS have been signed with Central University of Punjab, Bathinda (CUPB) and ORANE. These fruitful tie ups would certainly give our students greater hands on experience and exposure.

The college considers it as its prime responsibility to keep the motivation level and the positive energies high and flying of the student who enters into its portals. These motivated and persevering students have indeed made the institution proud by emerging as shining beacons of academic, sports and extracurricular activities and as crusaders of social change.

The accolades and plaudits won by the exemplary practices of the institution are a cynosure to the entire educational fraternity. I on behalf of DAV family pledge to nurture the youthful souls into responsible citizens and invite one and all to be a part of the rewarding odyssey.

Dr. Sanjeev Sharma
Principal

TEN PRINCIPLES OF ARYA SAMAJ

- God is the efficient cause of all true knowledge and all that is known through knowledge.
- God is existent, intelligent and blissful. He is formless, omniscient just, merciful, unborn, endless, unchangeable, beginning-less, unequalled, the support of all, the master of all, omnipresent, immanent, un-aging, immortal, fearless, eternal and holy, and the maker of all. He alone is worthy of being worshipped.
- The Vedas are the scriptures of all true knowledge. It is the paramount duty of all Aryas to read them, teach them, recite them and to hear them being read.
- One should always be ready to accept truth and to renounce untruth.
- All acts should be performed in accordance with Dharma, that is, after deliberating what is right and wrong.
- The prime object of the Arya Samaj is to do good to the world, that is, to promote physical, spiritual and social good of everyone.
- Our conduct towards all should be guided by love, righteousness and justice.
- We should dispel Avidya (ignorance) and promote Vidya (knowledge).
- No one should be content with promoting his/her good only, on the contrary, one should look for his/her good in promoting the good of all.
- One should regard oneself under restriction to follow the rules of society calculated to promote the well being of all, while in following the rules of individual welfare, all should be free.
